Floating Up and

ART CLUB

Homecoming is the highlight of every school year. This year's was extra special because the Senior float won the trophy for first place, and Chris Erickson was crowned queen.

Homecoming owes much of its success to General Chairman, Bruce Pierson, and other chairmen of specific areas: Publicity — Debbie Henderson, Queen — Denine Lewis, Parade — Andy Meads, Pre-Game — Sue Pagels, Half-time — Gary Cumpata, and the dance, sponsored by the Junior Class.

The efforts of the cheerleaders kept spirits soaring high, along with music and fancy footwork displayed by the tremendous Raider Marching Band.

The big event was kicked off Thursday night with a victorious Powder-Puff game by the Sr. girls, against the underclassmen. The night finished with a roaring bonfire.

Friday night was spectacular!! The band led the procession of floats down Main Street and up to the football field. There the terrific Raider team trounced on the Grand Blanc Bobcats with a score of 28-0!!! The next thing everyone knew was all the fun they were having at the dance Saturday night.

Then . . . it was suddenly all over. The hard work of Flushing High had made Homecoming of 1970 a wonderful moment to always remember.

ASS'T. VARSITY COACHES — MR. NOE and MR. McNEAL
HEAD VARSITY COACH — MR. DAR CHRISTIANSEN

The 1970 Raiders were well on their way to a fine season, when mistakes in key situations led to losses which dropped them from the championship picture. The future for Flushing still seems bright with a nucleus of returning lettermen for 1971 aided by an excellent Junior Varsity. The Raiders could make it big in '71.

Best Season Ever

Coach Dean and his runners are greatly satisfied with their 11-1 record. This is the best dual meet record Coach Dean has had since being at Flushing. The Raiders came in, in the conference meet, behind the state champ, Kearsley. The future looks bright with many strong runners for next year. Congratulations to Mr. Dean and the team for a great season. Hope next year is as great.

RECIPE

Take a handful of rough new clay,
Mold into it a little brown earth
And the twinkle of a distant star.
Add the ambition of mischief,
The mischief of ambition,
Time, and a pinch of reality.
Add the curiosity of a kitten,
The playfulness of a puppy,
The predictability of the weather,
And the energy of an atomic pile.
Now give it the form of a boy.
Add to it the uniform and principles
of education
And the love and devotion of a parent.
Mold it, shape it;
Place it conspicuously near your heart.
Now watch with pride as it becomes
A man.
